

# OLD SMUGGLER RULES

## When

- To be played on or before the date listed. There is a large field so play matches early.
- Due to size of field, there will be very little leniency on late matches.

## Format

- 4BBB Pairs Match Play on existing handicap.
- Matches may be played in conjunction with the competition of the day by agreement of your opponent. If this occurs, Strokeplay rules apply if you play in competition of day.
- If play is Match Play, only stroke and distance rules apply. Local out of bound rules does not apply.
- Match play with strokes (lowest handicap goes to 0) rules apply (unless in competition of the day).
- The full handicap differential is to be given by the lowest handicap player to the other three in the group.
- Sudden death for play off holes.

## Responsibility

- Do not leave it till until the last available date and expect to play it.
- Members contact details can be found on the Club website (Top right – *MEMBERS ONLY*).

If no play occurs or a decision is required on which pair is to progress, the Club Captain's decision is final.
